Subject: **NPDES Tracking Number TNS077780
TN NPDES General Permit for Small Municipal Storm Sewer Systems
Bluff City, Sullivan County, Tennessee**

Dear Vice Mayor Gentry:

Thank you for submitting a Notice of Intent (NOI), dated December 27, 2010, as required by Part 2 of the NPDES General Permit for Small Municipal Separate Storm Sewer Systems (TNS000000). We have completed a review of the NOI for accuracy and completeness, and are issuing the attached Notice of Coverage (NOC). Issuance of the NOC does not certify that the NOI adequately provides for all requirements as specified in the MS4 permit. You have also been notified of additional deficiencies by letter from Mr. Brown Patton of the Johnson City Environmental Field Office dated January 26, 2011. It is the responsibility the MS4 to implement, maintain, modify, and improve Best Management Practices that are sufficient to prevent pollution and to remain in compliance with all terms and conditions of the MS4 permit.

If you have questions, please contact the division at the Johnson City Environmental Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Paul Higgins at (615) 532-1178 or by E-mail at *Paul.Higgins@tn.gov*.

Sincerely,
